It's a Great Adventure not to be missed! I used to be quite lost, especially on the Old Testament reading. But with the aid from our facilitator, Bible Timeline Chart and commitment of home reading to prepare for next lesson, it is a great joy of discovering God's salvation plan for us and Him speaking to us through the Living Bible!" **Sophia**

"Truly amazing God's gift for us to learn about the Bible from Genesis to Acts taking us through the ages of times with a pictorial map aid!" **Daphne**

"Journey through different time periods and experience significant world events from a Biblical perspective. An experience and a journey that you will not want to miss!" **Gary**

After going through the lessons on the salvation history, I come to understand why there are 1st & 2nd readings and the Gospel during mass, as it relates what happened in the Old Testament to what is in the New Testament e.g. God gave manna to the Israelites to eat while wandering in the desert but when Jesus came on earth as human being He gave himself to die on the cross to save us. He gives us His own body & blood to eat in the form of bread & wine but believe it, it is truly, truly Himself. It helps me a lot to understand how the people lived in the Old Testament as it also applies to our own life today. I was baptised in 1974 but was only confirmed in year 2008. I wandered for over thirty years like the Israelites wandering in the desert for 40 years.

Dear brothers & sisters, I urge you to go on this "journey into the Bible" as there is a lot more for you to know and discover through it. Praise the Lord our God because He is the same yesterday, today and forever! Amen **Veronica**

After my baptism, I did not know how to begin reading the Holy Bible; whether to start with The Old Testament or the New Testament. During this period, GOD provides me with a great gift to help me.
